- Gained entry through an arts talent exam
- **Art Coursework:** Drawing, Graphic Design, Fundamentals of Art, Art History, 2D Art, Aesthetics, Traditional Turkish Miniature, Traditional Turkish Marbling, 3D Art, Contemporary Art History, Museum Training and more
- **Other Coursework:** Mathematics, English, History, Biology, Chemistry, Physics, Philosophy, and more

## ACADEMIC ENRICHMENT

Knowledge Exchange: Get Back in SYNC With Nature Winter 2025

- Prepared an informational poster on the topic of applying biomimicry in life and introduced crucial information provided by the nonprofit organisation [Biomimicry Institute](#) with the aim of inspiring peers

## EXTRACURRICULAR ACTIVITIES & CERTIFICATES

[Buca Isilay Saygin Fine Arts High School Graduate Sketchbook Contest](#) Winter 2025

- Ranked 3rd with an above 100-page sketchbook for entry to contest in Spring-Summer 2025

[UN Sustainable Development Goals – Made Simple](#) Winter 2025  
Online Certificate Program by UDEMY

- Completed an introductory program about the 17 sustainable development goals drafted by the UN
- Familiarized myself with how local and national governments can implement these goals and the close relations among goals that make it possible to work towards multiple of them at once within a project

School Exhibitions 2022 – 2024

- Joined the “Literature Street” March 2024 performance where as groups we chose classic Turkish literary works and got in costume as the characters to play out scenes from the source material live for attendees at the school; acted as Ali Bey, the main character from Namik Kemal’s “Intibah”
- Painted for the “History Street” exhibits in grades 9 and 10; researched and represented traditional nomadic Turkic tents called “yurt”s in pencil for the 2022 exhibit about Middle Asian history, studied older traditional paintings of Ottoman women to paint one in oil on canvas for the 2023 exhibit on Ottoman history

[Stay College London \(SCL\) International College](#) Summer 2023  
Onsite Certificate Program

- Completed three weeks of an intermediate-level English Second Language Program and visited important cultural sites in London such as Buckingham Palace and the British Museum to learn more about historical art
